

Dear Parents / Carers

The following are the different means in which we can communicate with you here at Nunthorpe Primary Academy. We hope you find this useful.

ParentPay

ParentPay is our preferred method of payment for school meals, school visits and other costed activities. To register please go to ParentPay.com where you can set up your account. You will need your child's personal login details, these can be requested from the school office.

Using ParentPay helps the school enormously and provides parents with a full payment history. It also enables us to keep you updated on school events via email and text messages.

Marvellous Me

MarvellousMe is an app to use on your smartphone and gives a snapshot of your child's day, with updates from your child's class teacher of all of the fantastic things your children are doing at school.

You can download the MarvellousMe app from your Apple or Android app stores or sign up at MarvellousMe.com. Enter your parent join code, name, email and a password to get started. Please request your parent join code from your child's class teacher.

Website

Please visit our website at www.nunthorpe.ironstoneacademy.org.uk

It is kept up to date with all our school events, newsletters, policies, online classrooms and much more!

School App

Nunthorpe Primary Academy are proud to present our new App for parents!

Our new, free to download Nunthorpe Primary School app is ideal for parents, staff and pupils to keep up to date with the school's activities, calendar and latest news. You can phone and email the school direct from the app and receive push notifications from the school direct to your device. This app is not just a mobile version of the school website, it is a specifically designed app for smart phones. The app is now available in the following stores: Google Play & App Store.

Twitter

Our school twitter account is @NunthorpePri

We keep this updated with all the fantastic things the children are doing. You don't need to be signed up to twitter, just visit our website and click on our Twitter link on the home page.
