## February Half Term News

### Parent Consultations

Thank you to all parents for attending our parent consultation evenings and taking the time to complete surveys. We will update you soon with the results.

### Internet Safety Awareness

A big 'Thank you' to Cleveland Police for delivering such an informative session. Also thank you to all the parents who came along. Congratulations to Miss Jukes & Mrs Taylor on winning the Amazon vouchers.

### Attendance

We appreciate that there has been a lot of illness around this half term which has prevented children from coming to school. Because of this we have failed to meet our attendance target. We hope the half term holiday allows children to recharge their batteries and get some fresh air and exercise. Hopefully, some warmer weather is around the corner which will help us to start the next half term in good health and better attendance.
