

# YEAR 1 ❤️ READING

At Nunthorpe Primary Academy, we have carefully prepared a reading spine so that the children, throughout their journey through school, have the opportunity to listen to stories written by a range of excellent authors.

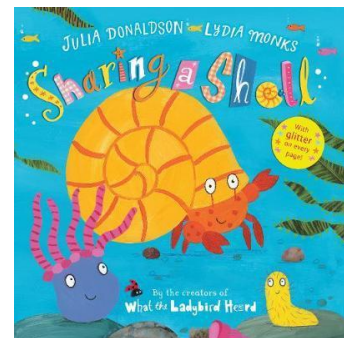

Our focus is Julia Donaldson, we read many of her stories and use some of them to focus on during writing.

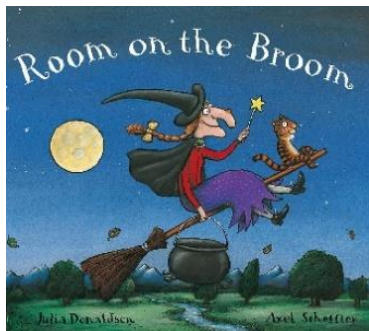

A tongue-twisting story which is fantastic for discussing and exploring diversity.

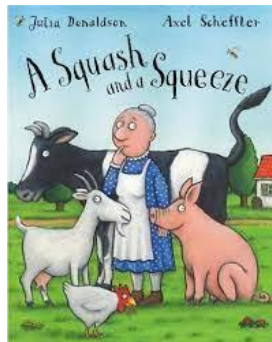

A story that captures the children's imagination. When a mouse goes for a walk through the woods, what will he find?

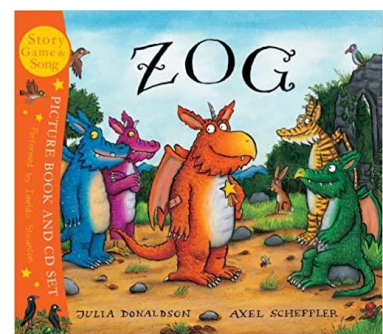

A colourful picture book that teaches the children all about friendship and sharing.

A story that is always a favourite around Halloween. The witch keeps losing her things whilst flying on her broom. However, some very helpful animals help her along the way!

When an old lady worries that her house is too small, she calls for help from a wise old man and her animals!

An adventurous tale that explores the topic of kindness as it follows the adventures of a dragon at school.

In Year 1, we like to read a range of fiction and non-fiction books. Here are some of our favourites.
