

<p>English</p> <p>Write a Haiku poem about High Force</p> <p>Create a leaflet about the River Tees</p> <p>Write a story about the journey of Stick Man travelling along the River Tees.</p>	<p>Geography</p> <p>Children will find out more about why rivers are so important, they will learn about the features of a river. Children will learn the names and locations of the major rivers of the UK and the world.</p>	<p>PE</p> <p>Dance – Monday and Thursday</p>	<p>Science</p> <p>The 'Light' unit will teach the class about light, reflections and shadows. They will learn about different sources of light, and that we need light to see. The children will work scientifically and collaboratively to investigate reflective materials, in the context of designing a new book bag. The children will have chance to test which objects are opaque in an exciting investigation to design the most effective curtains, and will find out how shadows change when the distance between the object and light source changes.</p>
