

YEAR 4 READING

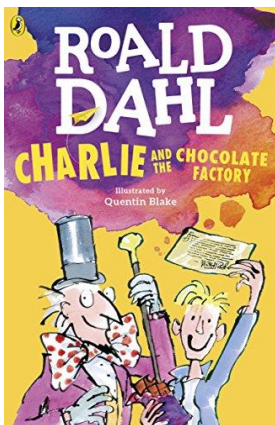

At Nunthorpe Primary Academy, we have carefully prepared a reading spine so that the children, throughout their journey through school, have the opportunity to listen to stories written by a range of excellent authors.

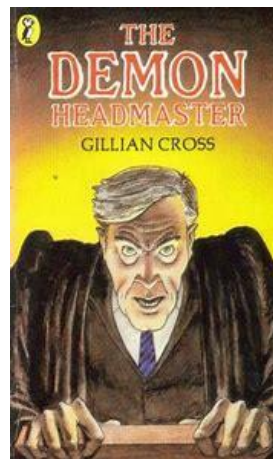

Three fairy tales are reimagined and woven into one in this witty and empowering adventure.

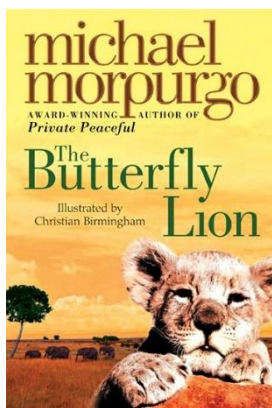

David Walliam's book 'The Boy in the dress', tells the unique story about a 12-year-old boy and his relationship with football, fashion and family.

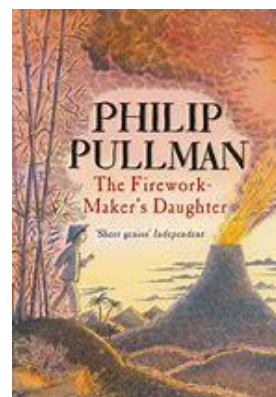

This is an exciting read in the run up to Christmas! The children's imaginations come alive as they discover a young boy wins a life changing trip to Mr Wonka's Chocolate Factory.

Gillian Cross's book tells the story of Dinah, a young girl who is immune to the headmaster's powers of hypnotism and plots to stop him, along with her 'SPLAT' gang.

The Butterfly Lion is a classic, and a great whole group read in Y4. It tells the story of Michael, who runs away from his boarding school and learns about a boy called Bertie who adopts an orphaned white lion.

To support writing stories of adventure, Y4 will read the fantasy adventure story of a determined girl called Lila, who proves to her father that she is far more capable.

In Year 4 we will also display a range of books written by our featured author, **David Walliams**, for children to read and enjoy for pleasure.
